

Protect Our Most Vulnerable Youth—Save the AFLP  
and Cal-LEARN Programs

Dear \_\_\_\_\_:

My name is \_\_\_\_\_. I support the CA Maternal Child & Adolescent Health's **Adolescent Family Life Program (AFLP)**.

This program works with pregnant and parenting teens to:

- REDUCE subsequent pregnancies & premature birth
- PREVENT child abuse & neglect
- PREVENT high school drop-outs; encourage higher education
- PROMOTE economic self-sufficiency
- PROMOTE community involvement and youth development

After 25 years of proven success, AFLP helps pay its own way by drawing down Federal match money. Saving AFLP will contribute to saving California's future generations. Our children & communities depends on its survival.
